The Born Too Soon Charity

would like to express their sincere and heartfelt appreciation
for the receipt of the sum of £8,000 (Eight Thousand Pounds) from

Back End Productions Goldilocks and Her Big Top

This Huge Donataion will be used towards the purchase of specialist equipment A Giraffe Incubator, which will be used in caring for both small preterm babies, some born up to 4 months early and sick newborn infants at Kingston Hospital N.H.S. Trust. 8% of newborns were admitted to the unit in 2006/7 with almost half 40% of reasonable size 2.5Kg and above. Preterm babies made up the remaining 60% of admissions 37 weeks and below. Our Neonatal unit cared for 476 tiny and sick babies last year. Thank you on behalf of all our tiny and sick babies and their parents for helping to make a difference at a very difficult time in their lives. Our unit cares for up to 20 special babies at any one time. We fully appreciate all the hard work entailed in staging your fantastic Pantomime, Goldilocks and Her Big Top. Please pass on our thanks to everyone involved. We are delighted that Matilda is now one of our very special graduates.
